## Course Overview

This course provides seafarers with essential education and training in fire fighting onboard tankers (oil, chemical, or liquefied gas) to meet the knowledge, understanding and proficiency requirements set out in STCW Tables A-V/1-1-1 and A/V/1-2-1 for oil and chemical tankers and liquefied gas tanker cargo.

Upon successful completion of the training, all candidates are issued with an MCA-approved certificate.

## Entry Requirements

To attend this course you must have successfully completed the [STCW Fire Prevention and Firefighting course](#).

## **Career Options and Progression**

## **Modules and Assessment**

## **Teaching and Learning Methods**

This course is 100% practical. There are no formal coursework or exams.

## **Industry Placement and Field Trips**

## **Other Costs and Equipment Needed**

## **Expert Tutors**

All staff involved in the delivery of offshore training within the College are appropriately qualified to teach the subjects and modules they deliver. Our teaching staff have considerable experience of the offshore, maritime and safety industries, with knowledge relevant to the courses we offer.

## **Tuition Fees**

### **Fees, Cancellation & Transfer Policy**

**Private delegate** - tuition fees are to be paid in full at the time of booking.

All fees are strictly non-refundable except when the College cancels the course.

### **Company sponsored delegate**

- Companies who hold credit accounts with the College will be invoiced following delivery of the Course
- New companies are required to pay at the time of booking for their first course; credit facilities may be available on request, following successful credit checks.

### **Off-Premises and Distance Contracts Only**

Please refer to College [Terms & Conditions](#).

### **Course Transfers**

If you are unable to attend your course you may be able to transfer to another available date. All transfer requests must be received in writing by FOSC no later than 5 working days prior to the

---

commencement date of the course. Email cancellations during the weekend period are strictly not acceptable for courses that commence on a Monday or Tuesday. Company delegates that fail to attend on the commencement date of the course and have not provided 5 working days written notice will be invoiced the full course fee. Private delegates that fail to attend and have not provided 5 working days written notice will be charged the full course fee, no course transfer date will be processed and their payment will be lost. All second transfer requests incur a £55.00 administration fee. Delegates who have made multiple transfers (3+) and fail to attend without the required prior notice in writing will be charged a relevant fee at the discretion of FOSC.

## **Regulation and Accreditation**

Regulatory Body: **Maritime & Coastguard Agency**
