Course Overview

This is a blended learning course. Learners can enrol at any time to suit their needs. It is expected that learners should be able to complete it within 12 months of enrolment.

It is particularly suited to the needs of the individuals who wish to work or continue to work in the VTS operations and do not have the necessary background to meet the nautical knowledge module requirements.

The syllabus of the course covers the requirement for VTS Operators to be able to carry out certain navigational functions and to have sufficient knowledge of ships to understand limitations of manoeuvrability or the need for special treatment caused by malfunction of shipboard systems or the type of cargo being carried.
